FmHA AN No. 1076 (1940)

25 SEP 1984

SUBJECT: Authorizations to Approve and Obligate  
Economic Emergency (EE) Loans

TO: All State Directors, FmHA  
Assistant Administrator Accounting  
and Director, Finance Office

This message is to clarify conflicting information on the cutoff dates for submitting Economic Emergency (EE) loan obligations to the Finance Office. This conflict existed between my letter of September 10, 1984, Subject: Procedures for Processing Fiscal Yearend Obligations of Loan Authorizations, and the COMET message dated September 13, 1984, Subject: Authorizations to Approve and Obligate EE Loans, and Administrative Notice (AN) 1070 (1940) dated September 14, 1984, confirming the COMET message.

The procedures to be followed for submitting EE loan obligations are contained in my September 10 letter:

Obligation requests that are mailed to the Finance Office must be express mailed and received in the Finance Office by September 25, 1984.

For states wishing to utilize the terminal system for obligating loans, the State Office terminal system will be available on Saturday and Sunday, September 29-30, from 7 a.m. to 3:30 p.m. central time for terminally entering EE obligations.

Please disregard the dates for submitting EE obligations to the Finance Office contained in the September 13 COMET message and AN 1070 (1940) dated September 14, 1984.

Administrator
